1. A review of the files of this office reveals that a considerable period of time has elapsed since the last security survey was made of the Subject premises.

2. It is the opinion of this office that in the best interests of security, a resurvey of these premises should be undertaken as quickly as possible. Such a survey will be accomplished very discreetly and in such a manner as to preclude any possibility of compromising the site or its occupants. In the event that your office feels that it is inappropriate to conduct a resurvey at this time, it is requested that you so advise this office within thirty days.

3. If you so desire, this office will be pleased to discuss this matter with you at your convenience.
